Important Notices Regarding Your Earthquake Insurance

This policy is issued by the PACIFIC SPECIALTY INSURANCE COMPANY. Throughout the policy and these Important Notices, whenever a term appears in bold print it has the special meaning stated in the Definitions starting at page 1 of the policy, and no other meaning.

This policy provides coverage for earthquake losses only. The policy terms may be different than coverage you have purchased in the past, and is very different from your Homeowners coverage. We urge you to read the entire policy carefully.

The limits of insurance amounts shown on the DECLARATIONS, when issued, ARE THE MOST THAT THE POLICY WILL PAY FOR ANY SINGLE LOSS AFTER THE POLICY DEDUCTIBLES HAVE BEEN MET. It is your responsibility, as the insured, to determine the appropriate amount of coverage to purchase. Given the effect a catastrophic event such as an earthquake has on the market conditions for building supplies and labor, this policy contains no guarantee that you, the insured, will be able to rebuild their dwelling or replace your personal property.

THE COVERAGE PROVIDED BY THIS POLICY MAY NOT BE SUFFICIENT TO REPLACE THE PROPERTY YOU HAD BEFORE THE EARTHQUAKE. IT IS YOUR RESPONSIBILITY TO REQUEST THE APPROPRIATE LIMITS OF INSURANCE.

If the insured dwelling has not been built or remodeled using construction methods (retrofitting) that are earthquake hazard reductions to help minimize earthquake damage, the Limited Building Code Upgrade coverage within this policy will NOT be provided.

Separate deductibles apply to your coverage and are stated as specific amounts on the DECLARATIONS and are calculated by us as a percentage of the limits of insurance stated on the DECLARATIONS.

The application submitted to us by you through your insurance broker is the basis of our decision to insure or not insure you.

You and we agree that the statements of fact made on the application are material to the risk we assume and some of the basis of our decision to insure or not insure you.

You also promise to maintain a companion policy concurrently with this policy.

If you have any questions please contact your broker who represented you in acquiring this policy from Pacific Specialty Insurance Company.
AGREEMENT

We will provide the insurance described in this policy in return for the premium and your promise to fulfill all terms, conditions and warranties of this policy. We only insure for direct physical loss caused by an earthquake which commences during the policy period to property described under the Property Covered and Other Coverage Sections in this policy. One or more earthquakes that occur within a seventy-two hour period will be considered a single covered event.

The policy period shown in the DECLARATIONS will begin and end at 12:01 A.M. standard time at the location of the property described in the DECLARATIONS.

b. PERSONAL PROPERTY

1) Loss to personal property will be settled at replacement cost without deduction for depreciation for the amount necessary to repair or replace the damaged property with articles of like kind and quality, subject to the applicable limit of insurance.

2) To collect replacement cost in addition to actual cash value you must:

(a) Submit proof to us that you have actually replaced or repaired the damaged personal property with material of equivalent kind and quality for an amount greater than the actual cash value loss.

(b) Submit proof to us that you have actually spent more than the actual cash value amount of loss or up to the limit of insurance, whichever is the smaller amount.

(c) You agree that failure to submit the proof required by 2) (a) – (b) above within 365 days of the date you gave us written notice that you were making claim on a replacement cost basis you will give up your claim for the difference between the actual cash value loss and the replacement cost loss.

3) This replacement cost coverage does not apply to:

(a) Fine arts.

(b) Property which by its inherent nature cannot be replaced;

(c) Property not maintained in good or workable condition at the time of the earthquake.

(d) Property not being used by you or stored for such use.

4) Our liability for loss to any property insured under this policy will not exceed the smallest of the following:

(a) The cost of repair or restoration.

(b) The replacement cost at time of loss; or

(c) Any limit of insurance, or special sublimits described in the policy.

7. POLICY PERIOD

This policy applies only to loss by earthquake which happens during the policy period shown on the DECLARATIONS.

8. APPRAISAL
If you and we fail to agree on the amount of loss, either may demand the arbitration of the amount of loss, called an "appraisal." In the event you and we fail to agree on the amount of loss and either you or us demand appraisal, each party will choose a competent and disinterested appraiser within twenty (20) days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within fifteen (15) days, you or we may request that the choice be made by a judge of a California court in the County where the dwelling is located. The appraisers will only set the amount of loss. If the appraisers submit a written report of an agreement to you and us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two (called an appraisal award) will set the amount of loss when it is delivered to you and us. You and we will share equally the other expenses of the appraisal and the umpire.

9. OTHER INSURANCE

If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance. We will not pay more than the limit of insurance less the amount due from that other insurer.

10. ASSIGNMENT

Assignment of this policy will not be valid unless we give our written consent. You may, without our consent, assign to any person, all or part of a claim after an earthquake loss.

11. SUBROGATION.

We may require an assignment of rights of recovery for a loss to the extent that payment is made by us. If an assignment is sought, you and any person insured must sign and deliver all related papers and cooperate with us. If we request, you will appear in court or sign any documents necessary to assist us in perfecting the claim of recovery against any person.

12. SALVAGE VALUE

Any value that may be realized from salvage will not diminish the amount owed by you under the deductible clause nor will it reduce the applicable limit of insurance. We need not take, but you grant us all rights to salvage.

13. ABANDONMENT OF PROPERTY

We need not accept any property abandoned by you.

14. OUR OPTION

If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with equivalent kind and quality.

15. LOSS PAYMENT

We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 30 days after we receive your proof of loss and:

a. We reach an agreement with you expressed in writing from us to you;

b. There is a filing of an appraisal award with us; or

c. There is an entry of a final judgment.

16. MORTGAGE CLAUSE
The word “mortgagee” includes trustee. If a mortgage is named as a loss payee in the
earthquake policy, any loss payable under Coverage A. Dwelling will be paid to the
mortgagee, to the extent of its interest, and to you. If more than one mortgagee is so
named, the order of payment will be the same as the order of precedence of the
mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if
the mortgagee:

a. Notifies us of any change in ownership, occupant or substantial change in risk of
which the mortgagee is aware;

b. Pays any premium due under this policy on demand if you have neglected to
pay the premium, and

c. Submits a signed, sworn statement of loss within 60 days after receiving notice from
us of your failure to submit a sworn proof of loss as required by this policy. Policy
conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the
mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least
10 days before the date cancellation or non-renewal takes effect. If we pay the
mortgagee for any loss and deny payment to you:

(i) we are subrogated to all the rights of the mortgagee granted under
the mortgage on the property, or

(ii) At our option, we may pay to the mortgagee the whole principal on the
mortgage plus any accrued interest. In this event, we will receive a full
assignment and transfer of the mortgage and all securities held as collateral
to the mortgage debt. Subrogation will not impair the right of the mortgagee
to recover the full amount of the mortgagee’s claim.

17. NO BENEFIT TO BAILEE

We will not recognize any assignment or grant any coverage that benefits a person
or organization holding, storing or moving property for a fee regardless of any other
provision of this policy.

18. CANCELLATION

a. You may cancel this policy at any time returning it to us or by letting us know in
writing of the date cancellation is to take effect.

b. We may cancel this policy only for the reasons stated in this condition by notifying you
in writing of the date cancellation takes effect. This cancellation notice may be
delivered to you, or mailed to you at your mailing address shown in the
DECLARATIONS.

notifying you at least 10 days before the cancellation takes effect.

(ii) When this policy has been in effect for less than 60 days and is not a
renewal with us, we may cancel for any reason or if we discover that the risk
does not meet our underwriting guidelines, by mailing notice to you at least
10 days before the date cancellation takes effect.

(iii) When this policy has been in effect for 60 days or more, or at any time if it is
a renewal with us, we may cancel if there has been:

(a) a conviction of the named insured of a crime having as one of its
necessary elements an act increasing any hazard insured against; or
(b) discovery of fraud or material misrepresentation, or
(c) discovery of grossly negligent acts or omissions by the insured or
his or her representative substantially increasing any of the hazards
insured against; or
(d) physical changes in the property described in the DECLARATIONS.
which result in the property becoming uninsurable.

c. When this policy is canceled, the premium for the period from the date of
cancellation to the expiration date will be refunded. When the policy is canceled, the
return premium will be pro-rata.
d. If, when we cancel this policy, the return premium is not refunded with the notice of
cancellation, we will refund it within 30 days after the date cancellation takes effect. If, when you
cancel this policy, the return premium is not refunded when this policy is
returned to us, we will refund it within 30 days after the date the cancellation takes
effect.

Proof of mailing will be sufficient proof of notice.

19. NON-RENEWAL
We may elect not to renew this policy by delivering to you or mailing to you at your
mailing address shown in the DECLARATIONS, written notice at least 45 days before the
expiration date of this policy. Proof of mailing will be sufficient proof of notice.

20. WAIVER OR CHANGE OF POLICY PROVISIONS
A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

21. LOSS TO A PAIR OR SET
In case of loss to a pair or set we may elect to:
(a) repair or replace any part to restore the pair or set to its value before the
loss; or
(b) pay the difference between the value of the property before and after the
loss.

22. GLASS REPLACEMENT
Claims for damage to glass caused by an earthquake will be settled on the basis of
replacement with safety glazing materials when required by ordinance or law.

23. YOUR DUTY TO SELECT AND MAINTAIN THE LIMITS OF INSURANCE
It is your responsibility to select and maintain the limits of insurance. This includes
adjusting your coverage in the event of renovations, remodels or additions to your
dwelling, appurtenant structures or personal property.

We will adjust annually, either up or down, your dwelling limit of insurance based
upon factors for your area supplied to us by recognized appraisal agencies. This
adjustment will be made on the renewal date of your policy. You will be notified in
advance of the new amount of coverage. Payment of your renewal premium is all that
is necessary to indicate your acceptance of the new amount.

This policy contains NO GUARANTEE that the limits quoted, offered, or selected will be
sufficient to rebuild your Dwelling or replace your personal property. We will never pay
more than the limit of insurance or any sublimit of insurance.

24. DEATH
If you die, we insure:
   a. your legal representatives but only with respect to the property of the
deceased covered under the policy at the time of death;
   b. with respect to your property, the person having proper temporary custody of
the property until appointment and qualification of a legal representative.

25. SUIT AGAINST US
No action can be brought unless all the conditions and warranties have been complied with by you and the action is started within one (1) year after the earthquake unless you report the loss to us promptly and then within one (1) year after we advise you your claim is denied.

In Witness Whereof, the Company has caused this policy to be executed and attested, but this policy shall not be valid unless countersigned on the Declarations page by a duly authorized agent of the Company.
